However, a student securing a CPI below 5.0 may be allowed to continue in the following semester on the recommendation of DPPC and with the approval of IPPC. Subsequently the student will be issued a warning. Students who secure a CPI below 5.0 in two consecutive semesters will not be allowed to continue in the postgraduate programme.
15.1.2	If a student is absent for more than 6 (six) weeks in a semester without sanctioned leave his/her name will be struck off the rolls.
15.1.3	A student may also be required to leave the Institute on disciplinary grounds.
15.1.4	On having been found to have produced false documents or having made false declarations at the time of seeking admission.
15.1.5	On having been found to be pursuing regular studies and/or correspondence courses (leading to degree or diploma) in any other college, university or an educational institution.

GRADING SYSTEM

16.1 (I)	Based on the performance of a student, each student is awarded a final letter grade in each subject at the end of the semester. Absolute grading is followed. The letter grades and the corresponding grade points are as follows :		
	% of Marks	Grades	Grade Points
	90 & above	Ex	10
	80-89	A	9
	70-79	B	8
	60-69	C	7
	50-59	D	6
	40-49	P	5
	Below 40	F	0
16.1 (II)	Percentage Conversion and Division Percentage Marks = CPI x 10 In addition, there shall be two transitional grades I and X used by the instructors.		
16.2	Based on the performance of a student, each student is awarded a final letter grade in each subject at the end of the semester. The letter grades and the corresponding grade points are as follows :		
16.3	A student is considered to have completed a subject successfully and earned the credits if he secures a letter grade other than I, X or F in that subject. A letter grade F in any subject implies a failure in that subject.		
16.4	Transitional Grades I and X		
16.4.1	The teacher of a subject may award the grade 'I' to a student if the latter was compelled to absent himself from the end semester examination on account of: <ol style="list-style-type: none"> I. Illness or accident which disabled him from appearing at the examination. II. A calamity in the family at the time of the examination, which, in the opinion of the Institute, required the student to be away from the campus. <p>A student will be eligible for the award of grade 'I' only if his/her attendance at classes and performance in other components of assessment are complete and satisfactory.</p>		
16.4.2	The teacher of a subject may award the grade 'X' to a student if the overall performance of the student in the course is good, but is likely to get grade 'F' based on his/her end semester examination.		
16.4.3	All 'I' and 'X' grades awarded by teachers must be converted by them to appropriate letter grades and communicated to the Academic Section (through HoD) within two days of the respective make up examination. Any outstanding 'I' and 'X' grades two days after the last scheduled make up examination will be automatically converted to an 'F' grade.		
16.5	A Semester Performance Index (SPI) will be computed for each semester rounded upto two decimal places. The SPI will be calculated as follows:		

	$\text{SPI} = (\text{C1} * \text{G1} + \text{C2} * \text{G2} + \text{C3} * \text{G3} + \dots + \text{Cn} * \text{Gn}) / (\text{C1} + \text{C2} + \text{C3} + \dots + \text{Cn})$ <p>where, n is the number of courses registered during the semester, Ci is the number of credits allotted to a particular course, and Gi is the grade points corresponding to the grade awarded for the course.</p>
16.6	<p>A Cumulative Performance Index (CPI) will be computed at the end of each semester and communicated to the students along with the SPI and the grades obtained by them for that semester.</p> <p>The CPI gives the cumulative performance of the student from the first semester up to the end of the semester to which it refers, and will be calculated rounded upto two decimal places as follows:</p> $\text{CPI} = (\text{C1} * \text{G1} + \text{C2} * \text{G2} + \text{C3} * \text{G3} + \dots + \text{Cm} * \text{Gm}) / (\text{C1} + \text{C2} + \text{C3} + \dots + \text{Cm})$ <p>where, m is the number of courses registered upto that semester, Ci is the number of credits allotted to a particular course, and Gi is the grade points corresponding to the grade awarded for the course.</p> <p>Whenever a student repeats or substitutes a course in any semester, the lower grade(s) obtained by him/her in the course is to be ignored in the computation of CPI from that semester onwards.</p>
16.7	<p>Both SPI and CPI will be rounded off to the second place of decimal and recorded as such. Whenever these CPI are to be used for the purpose of determining the merit ranking of a group of students, only the rounded off values will be used.</p>
16.8	<p>When a student gets the grade 'I' or 'X' for any course during a semester, the SPI for that semester and the CPI at the end of that semester will be tentatively calculated ignoring 'I' and 'X' graded course(s). After conversion of 'I' and 'X' grade(s) to appropriate grade(s), the SPI and CPI for that semester will finally be recalculated after taking the converted grade(s) into account.</p>
16.9	<p>The Faculty Advisor/ Secretary DPPC/Thesis Supervisor may permit a student to register for an audit course provided the course instructor allows auditing a course. The word "AU" shall be written alongside the Course Name in the Grade Card. The audit course & the grade "AU" shall not carry any credits and grade points. Pass or fail status will be shown in the grade card as "PP" for passed and "NP" for not passed. However, a student is not required to register again for passing a failed audit course.</p>

17.1	There will be continuous assessment of a student's performance throughout the semester and grades will be awarded by the teacher concerned or the appropriate committee appointed for this purpose on the following basis.
17.1.1	In case of
17.1.1.1	theoretical subjects, the evaluation will be based on instructors assessment & quizzes (20% including assignment, attendant and conduct), mid semester examination (30%) and end semester examination (50%), and
	sessional subjects (Laboratory/Design/Studio etc.), the evaluation will be on the basis of attendance, assessment of the tasks assigned and end semester test/viva.
17.1.2	The evaluation of the project/thesis work will be based on sessional work assigned by the thesis supervisor; seminar, project/thesis report and project/thesis evaluation committees' assessment (mentioned in Clause 17.2 below).
17.1.3	In case of other requirements such as seminar, etc., evaluation will be as determined by the grade awarding authority.
17.1.4	The mid-semester and end-semester examination will be conducted centrally by the Academic Section of the Institute every semester. Every theory course must have a mid-semester and an end-semester examination. The durations of the examinations will be 1.5 hours and 2 hours respectively. No course can have an examination of shorter durations. The class-tests or quizzes will be organized by the instructor concerned. However, mid-semester examination can be a take home examination for M Tech/Ph D student only courses.
17.1.5	The weightage assigned to different components of assessment will be announced by the concerned instructor(s) in the beginning of the semester.
17.1.6	The results of performance of the students in the mid-semester examination shall be announced by the instructors. The instructors should workout following points for returning evaluated mid-semester answer scripts:
17.1.6.1	for spot verification by students, the evaluated answer scripts shall be made available during one of the lecture classes/lab classes/tutorials or during a special session, as may deemed fit by the instructor;
17.1.6.2	at least a week ahead of the notified time-schedule for verification of answer scripts by the students, individual course instructor(s) may display the model answers relating to the question paper, through website for information to the students;
17.1.6.3	students shall point out discrepancies in the evaluation by the instructor, if any, on the spot;
17.1.6.4	after conclusion of the spot verification of answer scripts, the students shall be allowed to carry their answer scripts; and no claim whatsoever shall be entertained afterwards
17.1.6.5	All instructors should report to their respective HoDs about showing of evaluated answer scripts to the concerned students by the stipulated date set for the purpose in the academic calendar.
17.1.6.6	The concerned HoD in turn shall send their respective reports on the subject to

	the Dean of Academic Affairs, within 7 (seven) days from the scheduled last date for showing evaluated answer scripts to the students.
17.1.7	The final grades for a subject must be submitted after the end-semester examination by the concerned instructor(s) to their HoD for onward transmission to the Assistant Registrar (Academic) within the date stipulated in the academic calendar.
17.2	Evaluation of M Tech Project/Thesis:
17.2.1	The project/thesis work is in two/three stages, each spread over a semester. At the end of the every stages (excluding final stage), the student is required to submit a report of his/her work by a prescribed date to the Secretary, DPPC and present it to an Internal Project/Thesis Evaluation Committee. After passing of any stage, the subsequent stage of the work is continued in the following semester.
17.2.2	Those who fail in any stage assessment will be required to re-register for that stage in the following semester.
17.2.3	The procedure for submission of M Tech last stage Project/Thesis and conduct of oral examination are as follows
17.2.3.1	The thesis supervisor(s) shall be satisfied that the work has been completed. The supervisor(s) shall forward a list of examiners (comprising of at least two faculty members from the department, in addition to the supervisor(s) and one member from outside the department or an external expert) through the Secretary, DPPC to HoD.
17.2.3.2	The HoD will then forward the list of examiners to the Chairman IPPC for the approval at least 15 days before submission of the thesis.
17.2.3.3	Following the approval, unbound copies of the thesis (one each for every examiner) shall be submitted to the Department at least one week before probable date of the examination.
17.2.3.4	The supervisor(s) will fix the date of oral examination; make an announcement (through notices and e-mail) and forward unbound copies of thesis to the examiners. The date of oral examination shall be communicated to the academic section.
17.2.3.5	The oral examination of a M. Tech Project/Thesis shall be held as per announced schedule and it shall be an open one.
17.2.3.6	The Supervisor/Secretary, DPPC (if Supervisor is not available at the time of oral examination) shall be the convener of the oral examination committee. The committee shall evaluate the project/thesis of the candidate on the basis of presentation of the report, originality of the contents therein, demonstration of equipment model/hardware/software developed, the oral presentation and oral examination. In case the committee recommends a major revision and recommends a re-examination of the project/thesis, Grade "I" shall be awarded and the student shall be required to continue the project/thesis and resubmit the thesis within a period of two months. In case the committee rejects the thesis, Grade "F" shall be awarded and the student shall be required to re-register for the last stage project/thesis in the subsequent semester. The grade to be awarded to a student shall be evolved by the committee by consensus. The report of the oral examination committee including the grade shall be

	submitted to the Secretary, DPPC by the committee.
17.2.3.7	<p>On successful completion of Oral Examination, each student shall submit bound copies of the thesis making corrections, if any, suggested by the examiners (one each to the supervisor(s) and the department) and an electronic copy to the department. Student shall obtain approval of the supervisor(s) before submitting the corrected version of the bound thesis.</p> <p>Secretary, DPPC shall forward the report of the oral examination committee along with the grade to the Dean of Academic Affairs only on receipt of the bound thesis and an electronic copy from a student. All M. Tech. Project/Thesis reports of a batch of students will be copied on a CD for archival purpose and deposited to the Central Library.</p>
17.2.4	The last stage project/thesis work can be extend upto last date for I and X graders conversion as mentioned in the academic calendar of that semester.
17.2.5	Non-evaluation of any stage project/thesis within stipulated time, “F” grade will be awarded automatically and the student shall be required to re-register for that stage of project/thesis in the subsequent semester.

METHOD OF AWARDING LETTER GRADES

18.1	The instructor(s) shall submit two copies of letter grades to the concerned HoD by the due date specified in the Academic Calendar. The HoD will forward all grades to the Academic Section by the due date specified in the Academic Calendar.
18.2	End-semester examination answer scripts and the sheet containing details of marks converted to grades shall be preserved by the instructor(s) concerned for a period of one semester.
18.3	Changes in Grades Already Awarded: If a student feels that he/she has not been awarded a deserving grade in a course, he/she may request the instructor of the course within one week of the start of the next semester, to show him/her the end-semester answer script in order to ensure that all the questions have been evaluated properly. In case of any change in grade, the same with due justification has to be communicated by the Instructor to the Dean of Academic Affairs through the HoD. However, M Tech project/thesis grades change are not permitted.

EXAMINATION

19.1	In assessing the student's attainment in subjects (Theory, Laboratory, Studio and Sessional), seminars, project/thesis work etc., the system of continuous assessment is adopted by the Institute. In conformity with this practice, there will be one mid semester examination and an end semester examination for every theoretical subject -- in addition to the instructors' assessment and quizzes etc.
19.2	A student may be debarred from appearing in the end semester examination due to the following reasons:
19.2.1	If any disciplinary action is taken against him/her.

19.2.2	On recommendation of a instructor, if
19.2.2.1	his/her attendance in the Lecture/Studio/Practical classes has not been satisfactory during the semester, and/or,
19.2.2.2	his/her performance in the sessional work done during the semester has been unsatisfactory.

MAKE-UP EXAMINATIONS

20.1	Students who have missed an end-semester examination on valid reasons and have been awarded "I" grade are eligible for a make-up examination. They should make an application to the Dean of Academic Affairs through the Instructor/HoD within seven days from the date of the examination missed explaining the reasons for their absence.
20.2	Official permission to take a make-up examination will be given under exceptional circumstances such as admission to a hospital due to illness and a calamity in the family at the time of examination. Students residing in the hostels should produce a medical certificate issued by the Institute Medical Officer only. Students who are permitted to stay outside the campus or who have been authorised to be away from the Institute should produce a medical certificate from a Medical Officer not below the rank of a Civil Surgeon and endorsed by the Institute Medical Officer. Certificates from private medical practitioners will not be accepted. The Dean of Academic Affairs can use his/her discretion in giving permission to a student to take a make-up examination.
20.3	No make-up examination will be scheduled for the mid-semester examination and quizzes. It is entirely upto the instructor to ascertain the proficiency of the student by whatever means considered appropriate to him/her if he/she is satisfied of the bonafides of the case.
20.4	Students who are awarded "X" grade by the teachers are also eligible for the make-up examination.
20.5	Make-up examination will be held as per dates notified in the Academic Calendar. Make-up examinations at any other time can be held only with the permission of the Dean of Academic Affairs.

WITHHOLDING OF GRADES

21	Grades shall be withheld when the student has not paid his/her dues or when there is a disciplinary action pending against him/her.
----	---

ELIGIBILITY FOR THE AWARD OF M. TECH. DEGREE

21.1	A student shall be declared to be eligible for the award of M. Tech. degree if he/she has :
21.1.1	completed all the credit requirements for the degree with grade a "P" or higher grade in each of the subjects (Theoretical, Laboratory, Studio, Workshop, Sessional etc), Seminar,
