NATIONAL INSTITUTE OF
TECHNOLOGY MANIPUR LANGOL,
MANIPUR, IMPHAL,
INDIA- 795004

ABOUT THE INSTITUTE

National Institute of Technology Manipur, a centrally funded institution is set up to impart quality technical education at various levels of higher learning. It is one of the ten new NITs established and developed as “Institute of National Importance” by an act of Parliament in 2007. NIT Manipur started its first session with the three branches of Engineering-Electrical & Electronics Engineering, Electronics & Communication Engineering and Computer Science Engineering. The functioning of the institute was started at its temporary campus at Takyelpat, Imphal under the mentorship of NIT, Agartala. As one of the National Institutes of Technology (NIT), the Institute has the responsibility of providing high quality education in Engineering, Technology and Sciences to produce competent technical and scientific manpower for the country. The Institute has acquired 341 hectares of land in the lush green areas of Langol, Imphal. The Institute now has five departments of Engineering viz CSE, EEE, ECE, Civil, Mechanical and three departments of basic science viz. Mathematics, Physics, Chemistry and one Humanities department. The Institute offers B.Tech., M.Tech, M.Sc. and PhD programmes in several disciplines of Engineering, Technology, Sciences and Humanities.

ABOUT THE CITY

Imphal is the capital city of Manipur, one of the sister states of northeastern India. It is located between 24°49’N & 24°82’N latitude and 93°57’E & 93°95’E longitude. Situated at an average altitude of 786 m above the sea level, Imphal has moderate climate adorned with the beautiful landscapes. It is the center of all cultural, commercial and political activities of the state.
