“Inside a Publishers’ Mind”.

“Sponsored and Organised by National Institute of
Technology Manipur on 3rd & 4th July, 2017 at seminar
Hall, NIT Manipur, Langol.

Every discipline has its own list of highly regarded journals, which are ranked according to their impact factor. In our Academic carrier, each of us may aspire to appear in the most prestigious publication in the list as early as possible. Publication of a scientific research articles in reputed/renowned publishers will ultimately provide us a valuable experience and get useful feedback from experts in our field. Publishing of our research articles has become very essential part of our Academic records in any print/electronic journals. The main objectives of this National Author workshop is to create the awareness of how to write and publish a scientific scholarly articles in a reputed publishers like Taylor & Francis, Elsevier, Springer Nature etc of both print and Electronics, how to write & represent a good Report Writing and How will we organize our library borrowing methods from Quality Management.
