ABOUT THE INSTITUTE

National Institute of Technology Manipur, a centrally funded institution is set up to impart quality technical education at various levels of higher learning. It is one of the ten new NITs established and developed as Institute of National Importance by an act of Parliament. NIT Manipur started its first session with the three branches of Engineering -Electrical & Electronics Engineering, Electronics & Communication Engineering and Computer Science Engineering. The functioning of the institute was started at its temporary Campus at Takyelpat, Imphal under the mentorship of NIT, Agartala. The Institute has acquired 138.2 hectares of land in the lush green areas of Langol, Imphal and started its functioning at its permanent campus since 2014. This Institute now has five branches of Engineering viz CSE, EEE, ECE, Civil, Mechanical and Basic Sciences and Humanities Department and open courses on B. Tech., M. Tech., M. Sc. and Ph. D.

ABOUT THE IMPHAL CITY

Imphal is the capital of Manipur, a state in the north eastern India. It is one of the loveliest spots in the different cultures, sports and good climate. It is the center of all cultural, commercial and political activities of the state. On the Imphal River, Kangla Fort was once the seat of local rulers and now houses relics. On the south side of the centuries old pologround, Manipur State Museum has displays including (ribal artifacts and a large royal boat. Next to the former Royal Palace, Shri Shri Govindaji Temple has twin domes, a large hall and shrines to Hindu gods.

WAY TO NIT MANIPUR

The campus is around 3.5 Km from the main market area of Imphal City. The nearest airport is located at a distance 10 km from the campus. It is just 10 minutes ride from the campus. Imphal can be reached through National Highway No 2 and 37. The nearest railway station is Dimapur and it takes around 8 hrs by bus from Dimapur to reach Imphal.
