Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of National Institute of Technology, Imphal for the year ended

31 March 2011

We have audited the attached Balance Sheet of National Institute of Technology, Imphal as on 31 March 2011 and the Income & Expenditure Account and Receipts and Payments Account for the year ended on that date under Section 20 (1) of the Comptroller and Auditor General's (Duties, Powers & Conditions of Service) Act 1971. These financial statements are the responsibility of the NIT's management. Our responsibility is to express an opinion on these financial statements based on our audit. 2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

- 3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provide a reasonable basis for our opinion.
- 4. Based on our audit, we report that:
- i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- ii. The Balance Sheet and Income & Expenditure Account and Receipts and Payments Account dealt with by this report have been drawn up in the format approved by the Ministry of Finance.
- iii. In our opinion, proper books of accounts and other relevant records except Fixed Assets Register have been maintained by the National Institute of Technology, Imphal in so far as it appears from our examination of such books.
- iv. We further report that:

A. Grants-in-aid:

Out of the grants-in-aid of ₹ 3.70 crore received during the year, the organization could utilize a sum of ₹ 0.67 crore leaving 3.03 crore balance as on 31st March 2011.

- v. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet and Income & Expenditure Account and Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.
- vi. In our opinion and to the best of explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure-I to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India:
 - a. In so far as it relates to the Balance Sheet, of the state of affairs of the National Institute of Technology, Imphal as at 31 March 2011: and
 - b. In so far as it relates to the Income & Expenditure Account of the surplus for the year ended on that date.

Place: Imphal

For and on behalf of the C&AG of India

Accountant General (Audit)

Annexure to Audit Report

1. Adequacy of Internal Audit System:

The Institute does not have its own Internal Audit Wing during the year 2010-11. Existence of an internal audit wing is considered essential for effective control of the financial affairs of the Institute.

2. System of Physical verification of Fixed Assets

The Institute did not conduct physical verification of Fixed Assets /inventories during the year 2010-11.

3. Payments of Statutory Dues.

There are no outstanding statutory dues as on 31.3.2011.

4. Adequacy of Internal control System

The Internal Control System is weak as instances of non-maintenance or improper maintenance of records such as Bill Register, Grants-in-aid Register, Stock Register, etc. is observed.

SCHEDULE 24 : SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNT

A. SIGNIFICANT ACCOUNTING POLICIES

1. Accounting Convention

- a) The accounts are maintained and financial statements are prepared on the basis of historical cost convention
- b) Recognition of revenue and related assets and liabilities The Institute normally follows the cash basis of accounting. However for presentation of financial statements the liabilities and assets which are ascertained and disclosed hereunder have been taken into account.
- c) The Retirement Benefits

The liability for the expenses on retirement benefit of the staff - gratuity, leave salary estimated on the basis of number of years service and number of days of unavailed leave at the year end is provided and accounted on accrual basis and charged to expenses.

- Retirement Pension is to be accounted on accrual basis.
- e) Interest on Special Term Deposits with Bank compounded upto last quarter of the year is accounted on accrual basis.
- f) Fees received from the students are accounted on actual receipt basis. Thus the fees received covering the period beyond the financial year is treated as Income in the year of receipt. The fees receivable / dues from the students are not accounted.
- g) The value of the work bills which have been passed for payment but not paid has been taken into account and liability thereof has been provided.
- h) Works in progress physically measured / unmeasured but not billed is not taken into the statement of account as the realistic value cannot be estimated
- i) Deposits for the execution of the works made with the executing agencies are treated as work in progress to form part of fixed assets which shall be reversed to woks value on the completion of the work.
- j) Security deposit received from the students

The security deposit is treated as current liabilities. Any non-refunded security deposit lying after expiry of three years from the due date of refund is considered as unclaimed liability and accordingly treated as Income of the Institute

k) Income received for other purpose

Any receipt not relating to normal activity of the Institution obtained from any source which has to be spent for the specific purpose is treated as current liability. Accordingly the expenditure incurred out of such receipts in not treated as normal expenditure of the Institute. The difference between the receipt and expenditure is directly taken in the balance sheet.

j) Salary of the staff is taken for the period of 12 months From March (due in April) and Feb

Accountant National Institute of Technology

(due in March

2. Apportionment of grant into revenue and capital grant

- a) The grants are treated either revenue receipt or capital receipt according to the direction of the granting authority. The capital grants are directly credited to corpus(Capital) Fund and the revenue grants are credited to Income and Expenditure Account. However if such apportionment has not been made by the grating authority the whole amount of grant received is credited to Income and expenditure Account. In case the grant is received in response to the proposal initiated by the Institute the amount to the extent of capital expenditure component is treated as capital grant and treated accordingly.
- b) In respect of grants and contribution received under earmarked fund for special purposes or research works by the Departments the whole amount of grant is credited to the fund account and the expenses either revenue or capital are charged to the Fund. However the value of the assets created out of the grant is taken into the fixed assets by giving corresponding credit to Corpus (Capital) Fund account as these assets acquired out of the grant form part of the assets of the Institute
- c) Other grants which are received other than specific purpose of creating capital assets are directly treated as revenue receipts and capital grants are directly credited to Corpus Fund Account

3. Valuation of Inventory of consumables

The consumable items are normally purchased for instant use and no stock of significant quantity is carried in hand. Therefore the cost of consumables items purchased during is charged in full to expenditure of the year

4. Fixed assets

- a) Fixed Assets are stated at cost of acquisition inclusive of all direct expenses related to acquisition. In respect of projects involving construction related pre-operative expenses are absorbed into the cost of the assets
- b) Assets received by way of Non- monetary grants are accounted with corresponding credit to the Corpus (Capital) Fund Account.
- c) The value of the assets created out of the grants under Earmarked Fund (sponsored project) is capitalized with corresponding credit of Corpus(Capital) fund Account.
- d) Expenditure of capital nature incurred for the purpose of creating assets on the land and buildings which the Institute does not own but has a right to use under a contract or can exercise a right of ownership has been recognised as capital expenditure.

7. Fixed Assets and Depreciation

a) Fixed assets are stated at cost of acquisition/construction less accumulated depreciation. The cost of assets comprises its purchase price and directly attributable cost of bringing the assets to working condition for its intended use i.e. cost of acquisition of assets including inter-alia interest on borrowing and incidental expenditure during construction incurred up to

the date of/commissioning.

Accountant Institute of Technology

DOO NIT Manipur

Netional lastimite of Technolog,

- b) Assets received by way on Non-monetary grants are accounted with corresponding credit to the Corpus (Capital) Fund Account.
- c) Depreciation on fixed assets is provided on written down value method at the rates indicated against the group head of the assets and in case of additions during the year depreciation is charged for the whole year irrespective of the date of acquisition or putting into use.
- d). No depreciation is charged on the assets till the asset is ready for use

Capital Work in Progress

Capital work in progress includes cost of construction expenditure, deposits and advances made for such construction, interest on funds deployed on capital work in progress and other indirect preoperative expenditure incidental and related to acquisition of assets.

8 Funds earmarked for special purpose [Special Purpose Funds]

(DASS)

- a) Any income by way of grant, donation, contribution, bank interest and income earned from investment is credited directly to the Fund and any outgoing towards revenue or capital expenses is charged to the fund. The net balance is treated as balance of the fund at the end of the year.
- b) Such fund is independently and distinctly shown under a separate head in the balance sheet

9 Staff Retirement Benefits

The present retirement benefits are gratuity, leave encashment and pension. The benefits are worked out on the assumption:

- a) The members of the staff shall continue in the services of the Institution to be eligible for retirement benefits.
- b) With the number of years service earned the staff retire on the last date of the accounting
- The provision so made is to be reversed on the actual payments

10 Loans & Advances for expenses

- a) The payments in the nature of advance for meeting expenses are booked under the head " Advances". These advances are charged to expenses only when the activity for which the advance is drawn is accomplished and the related documents have been approved and passed by the competent authority
- b) The loans and advances as shown in the statement of account are considered good and recoverable by way of expenses or otherwise and as such no provision for loss is made in the accounts

B. Notes on Account

1. Earmarked fund

The Institute received during the year a grant of Rs 50,000 for scheme of DASA. No expenditure has been incurred so far. The amount is lying in the general bank account of the Institute. The grant is shown separately under the group head "Earmarked Fund"-Schedule 3 to Balance Sheet

2. Other receipts/grants

The institute received the following amounts from Central Council Board (CCB) for the purpose of carrying on the selection process of the students. As the receipts of the fund and payment out of the fund are not directly related to the normal function of the Institute such receipt of the fund is not treated as income of the Institute. The difference between the amount received and amount spent therefrom is either treated as Liability or Receivable (asset) and accordingly shown under the relevant group head in the Balance sheet. The account under CCB head is arrived at as under

Receipts (Cr)		300,000 Cr
Total Expenses (Dr)	32,841	
Advance paid (Dr)	1,78,839	211,680 Dr
Fees Collected (Dr)	16,80,000	
Less : Fees remitted (Cr)	16,55,000	25,000 Dr
Net Balance		63,320 Cr

The balance of Rs 63,320.00 has been treated a current liability and included under the head 'Other Current Liabilities'.

3 Retirement benefits

- a) None of the staff employed by the Institute is on a regular appointment and hence not eligible for retirement benefits. Therefore no provision for retirement benefit has been made in the accounts.
- b) Two members of teaching staff are on deputation. No claim for leave and pension contribution has been raised by their respective parent department. Thus exact amount towards the contribution could not be accounted. However a provision for Rs 159,786.00 has been worked out and accounted towards liability for contribution

4. Foreign Exchange Transaction

There is no foreign exchange transaction during the year

5. Contingent liability

There is no contingent liability

Accountant of Technology

6. This is the first balance sheet of the Institute and hence previous years figures are not given

Interest short credited by bank - Rs 36,663.00 The Institute created on 26.6.2011 a term deposit of Rs 34,50,000 with Punjab National Bank for a period of 7 years 7 months. While crediting the quarterly interest the bank deducted TDS and thus the total short credited interest by bank for the year was Rs 36,663.00. The Institute has pointed out to the bank that any income of the Institute is exempted from Income-tax under sec 10 (23C)(iiiab) and as such the TDS so deducted should be refunded. The amount is reflected under Current Assets - Income Accrued in the balance sheet

Retirement benefits

- a) None of the staff employed by the Institute is on a regular appointment and hence not eligible for retirement benefits. Therefore no provision for retirement benefit has been made in the accounts.
- b) Two members of teaching staff are on deputation. No claim for leave and pension contribution has been raised by their respective parent department. Thus exact amount towards the contribution could not be ascertained. However a provision for Rs 293,619.00 has been worked out and accounted towards liability for contribution
- Foreign Exchange Transaction

There is no foreign exchange transaction during the year
